WHAT IS GOD TEACHING ME?

Favorite song from this past month

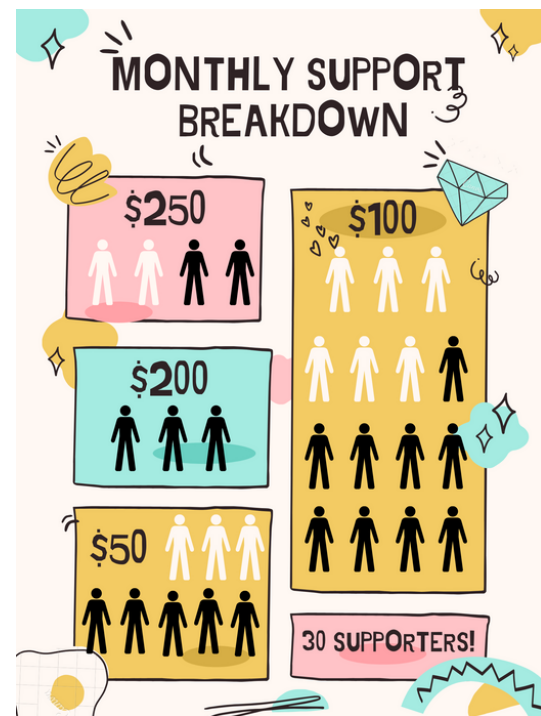

Jireh by Elevation Worship and Maverick City

"You are Jireh, You are enough
Jireh, You are enough
And I will be content in every circumstance
You are Jireh, You are enough"

I have been support raising for 2 months now. God has been faithful through it all. I have enjoyed getting to catch up with so many people! I currently have 11 households that have started giving in PushPay. This puts me at 40%. God has almost fully funded my first year in Kenya through people in my life. I have met with others that are going to start giving soon. I also have more appointments scheduled for January and February. I can't wait to see the entire chart turn white to show that my 2 years are covered!

SUPPORT RAISING UPDATE

HIGHLIGHT FROM THE MONTH

Tori and I were able to take a week long vacation to Florida. We have been very busy with working full time jobs and preparing for Kenya that we needed time to rest and rejuvenate. We spent 4 days at Universal Studios/Islands of Adventure and 1 day at Disney World. It was a great time to have fun together and enjoy some warm sunshine. This vacation got us both excited for the many adventures and memories we are going to have together in Kenya.

PRAYER REQUESTS

- God will prepare the hearts of those we will work with in Nairobi
- Endurance for me as I teach and support raise
- January through April, I will be working on renewing my National Board Teaching Certification
